Hi everyone,

I am posting here as I now realise that to gain extended recovery and sobriety I need to be in touch with friends and be mechazek each other. Looking forward to hearing from you. G-d bless.

if i understand well you are in mid of recovery and you want to go forward

that is good news for me

having another friend

recovering together

avoiding the deep end

helping each other

with a hand to lend

its always better

keep in touch friend

shteiging with power
