

Teens Group

Gimpel, Yoni, Gonna', Joni, JewGee, SB, Adam, etc.

A while back I thought it would be a good idea for the teens to have their own section; for Hey, Teens; Listen up! The Guards on GYE are great, and they have everyone's interests in mind.

Everyone can create a thread. Each one of you has already made several. I think you fellows So let's all congregate here. Instead of each one of you having your own thread, you can all gather here and give each other tips. The older fellows will even steal a glance or two in here, and perhaps even offer advice or suggestions or rebuke - if necessary.

And hey; if it doesn't work - at least we tried.

Party on fellows!
whatever reason, it hasn't worked out.

Ok; fellows...a bit of a start.

Teens: What do you consider your biggest obstacle in recovery (in 30 words or less please)?

Thanks

Marriage is not a cure all.

There are tons of people in the B"B section.

As a matter of fact, we have a waitin' list now.

we are waitin' for someone to recover, so he can leave, and the next guy can enter.
