

From tragedy to redemption

I am a middle aged person, highly talented, but leider unaccomplished. I seem to have some strengths but not the strength and the resolve to do what it takes to use my talents to be what I can be. I have had lot's of tzaros in my life which have gotten the better of me and eventually removed me from my learning and my general Ruchnius success. I was not omed benisoyon. I am ashamed of myself. On the outside I still seem like a basically Choshever person but nobody knows what I really am. When I was a Bochur and a young yungerman, everybody was sure I would turn out to be one of the Gedolim. That hasn't happened(yet). I would never tell anyone of my worst failings, but this failing of me not succeeding to fulfill my potential is known. I guess people may have long ago forgotten what was supposed to become of me but looking at me now they see nothing but an empty wasted soul. I haven't forgotten the original plan and somewhere deep down I still hope Hashem will give me back my neshama. My Boosha is maybe a good thing in a way because it keeps things from getting more out of hand. But it makes it impossible for me to get the support and encouragement that might help me do what I should. Maybe I could get the support here. I am middle aged but my mind knows that it isn't too late. I need my heart to know it too.
