

Just Saying hello!

Posted by Sasha 2 - 29 Mar 2015 18:23

Hello, Im less then a week in, but so far so good, it gets hard to hold back but so far pulling through!!

If you stay at one thread, more people will get involved with your progress.

What are you doin' to recover?

Perhaps you can tell us as well why you wanna stop?

thanks

b'hatzlachah

whichever one you want.

You can post to everyone else's thread, but when you're writin' about yourself and your saga, stick to one; otherwise, you will fragment the responses from the oilam.
