

Feels good to finally break free

Posted by sternful@gmail.com - 02 Apr 2015 14:58

I've decided to Join guard your eyes and follow the programs available to strength my resolve against my horrible desires, immoral thoughts and tendencies to view porn.

Knowing that I am not the only person with this struggle makes it's easier. I found this topic too taboo until I had to let me wife know of my addiction in order to save our marriage.

Please G-d may I continue on this road to recovery and freedom from this addiction.
