

Today is the day

Posted by DutiesoftheHeart - 19 Apr 2015 07:50

Shalom Aleichem,

I am learning Nach Yomi and a passuk hit me in the face like a ton of bricks

Job 31:1 " I forged a covenant for my eyes and I would not gaze at a maiden"

Almighty, please allow me to fulfill Your mitzvahs and give me strength to fortify myself in Shemrias Einyaim.

Today is the day. Rosh Chodesh, the freedom I felt at my Seder, spending all of Chol haMoed with my amazing family. Baruch Hashem. But today is the day. Today is the day I get out of my mental servitude to movies, tv shows, waste of time browsing, (baruch Hashem, I have been clean of porn for 7 months now!), and start living my life.

I commit myself to the 90 program

I commit myself to being clean of the shmutz that is bogging me down

I commit myself to not staring at immodest women or images

I am going to work on myself and trust that if I take one small step, Hashem will lead me 1000 miles to kedusha and tahara

Sincerely

DutiesoftheHeart
