

My Story - Thank Gd

Hi guys!

(Please see my share lower down at end of page 1)

I've been wondering if people with weak communication skills as I have are more vulnerable to the lure of pornography (See [this link](#) for example), and if unique non-standard steps would be suggested for us to get out of S\* addiction.

BH I have a great job, kids...

I also have a good therapist, but have been hesitant to ask about this yet.

I'd love to hear feedback from anyone familiar with the topic. Zemiroshabbos? You mentioned it some time back [HERE](#)

Thanks

Mark

???? An open letter to all the guys - including you!!

Here's my belated introduction and follow up

BH I have made many many friends on the forum - some via PMs and on occasion even with my real name (I almost forgot it)

Made it to 90 Days!!!

It would be unfair for me single out some names, when my appreciation for SO MANY OF YOU GUYS is just... I don't know how to express it - YOU GUYS ARE THE GREATEST!!

As an Aspie I'm not the greatest communicator - sometimes too sharp or too vague, and often say the wrong thing on the forum. I want to ask forgiveness to anyone I may have offended (and I know I have).

### **Once Upon A Time - Lust:**

I had been fighting / struggling with Porn and M\* from my teen years age 14 or 15. First with magazines, then more recently with web accessible devices. I was never addicted to chase after this, but my struggle was unbearable. I could never defeat the temptation when it arose

### **Who cares?**

After falls I would feel terrible, or something bad would happen to me / my kid... (Like someone else on this forum experiences too). For a struggler like me the best thing is that bad feeling and the fear of repercussion. Its THE only thing that got me onto gye.com, and I read other people's posts that have mentioned the same. It's what pushes us to try the next tool of the many offered (Pls click on my signature)

### **Prophecy to fools:**

14 months ago October 2014 - The end of Aseres Yemei Tshuva 5775, I was walking to shul and passed a snake on the road that had been driven over by a car (no of course a truck!).

What went through my mind? 10 days is possibly a reflection for the coming year, and this dead snake was signifying that the YH is gonna be dead at the end of the year. I had this premonition, but I didn't have a clue what it was about.

Zoom forward to August 2015 - the end of the year 5775, Three months ago - and it happened. Screeeeeeeecccchhhh YH DEAD!!

I found GYE!!!

No, don't worry, I'm not dead, my YH is alive and kicking, but the struggle is totally under control with the following tools.

Gd knows what's truly going on, but these are the tools I noticed on my ride

## **My Tools**

### **1) The Forum**

I put this one first because I feel that has been the greatest game changer for me.

My mindset has totally morphed, to view women as people - it's incredible.

Today I heard a cute girl at work laugh. That would have been a turn on previously. Now I heard someone laugh, and I'm happy for them that they don't need to stress the whole day...

And I believe it's because of

1- Reading and thanking Many Many terrific poster's ramblings

2- My posting too much...

Posting 7 or 8 posts a day

I feel a sense of responsibility to share my advice / experience to other posts, and also to keep the humor section fresh (**it really pains me that almost no one regularly posts there besides for myself and the ???? peloni almoni. Is everyone in the bar-ditch-ev?**)

### **2) Restrictions**

**a- Time:** [Good nite device calendar](#)

**b- YouTube:** Only access for work purposes

**c- Devices**

PC: Web Monitoring program or whitelist, (filtering is irrelevant, as I have overridden every regular filter and perhaps you too).

Mobile Devices: Mobile phone Locked AppStore, and active legitimate apps only (eg no skype and whatsapp. If you ask me to explain why, you'll be risking having to remove them too)

### 3) Get a Life

a- Exercise twice weekly

b- Keep busy. Being productive in my work, learning a few Jewish words when possible. Spend time with the wife. Posting on the forum. Breathe...

My time management sucks - like a regular aspie. I don't learn, daven at all like I should. I always feel pressured to put overtime into my work... Yeah I hope to discuss this with my therapist (A great one - a woman - not Jewish)

### 4) Aspie Therapy

I have regular sessions with an Asperger therapist, primarily to help me communicate with 'objects' - other people at work in shul... primarily my 'object' from Venus (my great wife).

I think this may have helped me too, to see 'objects' as people = social awareness etiquette and all the silly neurotypical stuff

For those asking what is Aspergers? Go to this link [HERE](#)

???? ??? ?????? ??????

I want to repeat again to each and every one of you. First the Gevaldigge administrators, the unassuming Moderators, and all the boarders

Thank you for allowing me in, so I can grow, and for giving me the opportunity to also save at least one other Jewish brother once for one minute.

Hatzlacha to you on your journey

Mark

On occasion of my 90th birth DAY mom got me a yummy tzummy - actually was GS's idea last nite. Although I didn't have time to send him a new diaper back.

I just wanted to note - especially as another Aspie asked me to note my journey - one 'tool' I left out

I have regular sessions with an Asperger therapist, primarily to help me communicate with 'objects', primarily 'objects' from Venus (my great wife).

seriously? mom got it for you? doesn't seem like something he would do.
