

My Story - Thank Gd

Posted by Markz - 17 Sep 2015 00:27

Hi guys!

(Please see my share lower down at end of page 1)

I've been wondering if people with weak communication skills as I have are more vulnerable to the lure of pornography (See [this link](#) for example), and if unique non-standard steps would be suggested for us to get out of S* addiction.

BH I have a great job, kids...

I also have a good therapist, but have been hesitant to ask about this yet.

I'd love to hear feedback from anyone familiar with the topic. ZemirosShabbos? You mentioned it some time back [HERE](#)

Thanks

Mark

Mark have you been karming me?

I get these karmas and i have no clue from who and i suspect ive been marked.

am i going to be recieving a bill from you?

You know, i've actually thought about opening a false account just to up my karma. Pretty
But i decieded that i did'nt need to add con-artist (which i'm pretty good at - if not
for that annoying conscience) to my list of addictions.

Dont worry SG,

You won't be the first or the last fellow to show up here who struggles with relying on others to
confirm their self worth, it's one of the very predominant characteristics of a lustaholic.
pathetic, no?

But on another note, ill up your Karma..... for a reasonable price

Shteeble!

I hope you're doing well!!

I get a Mazel Tov - spoke to a great trucker on the forum today - a first for me

Did you recieve the [exclusive invitation](#) yet?

That indeed is worthy of a Mazel tov.

How was it?

I hooked up with Yesod. Sounds like a nice guy - more than on in the written word

I think it helped to have a mindset that I'm a normal guy talking another normal guy - which is the reality

Im always hesitant making conversations which isn't my biggest strength. The floor is open if anyone wants to call me I'm happy to say hi, just email me markzgye@gmail.com send me your real first name and guess my real first name and your phone number

Sponsorship? That takes a long term commitment and I don't think it's my calling

A Happy Shabbos and Chodesh to YOU

Markz sounds alot stranger on the forum than on the phone.

Get over it markz, you're not that special.

He is pretty special, on the forum at least. Very funny, upbeat, encouraging but occasionally sharp, finds amazing images, emojis, gif's and all sorts of other things that really brighten this place up!

There is only one Markz and he is pretty special, but fairly normal nonetheless

Cord' - that's one of the deepest mystical posts probably in the entire worldwide web!!!

Translated to English

What is this 12 thing?

And why this 12 thing?

If you worked the 12 thing would that clear your mind of thinking about that passuk?

I wasn't obsessed about it, just a little thought that popped back a few times, to no consequence

I'm not smart enough to know the answer to that question, but perhaps....

this is the actual pasuk -

???? ??? ????? ????? ????? ??? ??? ????? ????? ?? ????? ????? ??? ????? ??

now it is true that the last 3 letters in the pasuk still add up to 12. and the rashei teivos of the last two words in the pasuk also add up to 12, and if want to don our streimels and darshan, there is a lot more purim torah to say.

however, allow me, ????? reb mark to share a thought on this pasuk.

the malbim and others point out that mordechai's going ????? ??? ??? ?????? was because he feared for esther's life, that she would either be killed as a ???? for not divulging her nationality, or something similar, but the targum adds an eye-opening nuance:

???? ????? ?????? ?????? ??? ?????, ????? ??? ????? ?? ????? ?????? ?????? ?? ????? ??????

everyday mordechai "would daven", and he would walk "in front of the gate which was at the harem"

so 2 things:

1. life threatening though it was, mordechai only went in front of the outer gate to try to glean information about esther
2. he davened first.

we can ask, however, that how does the targum know that mordechai davened before going - it does not say so in the pasuk - all it says is that everyday mordechai went. perhaps a peirush can be that it is pashut that before going anywhere where there is a chance for the yeitzer to strike, even if you are mordechai, and even if you are going for pikuach nefesh of klal yisrael, and even just to the outer gate, you need to daven for siyata dishmaya to be saved.

so the next time this pasuk comes up, one can remind himself that the targum says mordechai davened before going, and perhaps a quick tefilla for recovery and help would do all of us some good.
