

Can allways find a way

Posted by alvin - 01 Feb 2016 04:00

When the pressure and tension of life is hard viewing porn has become my medicine. Am always able to find a way around the filtered devices like by purchasing a cheap laptop from Walmart and many times returning it after a short use. Will check in to a Hotel just for the afternoon to do this, Have made 90 days once but have fallen in again a few times. This behavior is such a bizaynon to the status I have in the community as a mashpia and leader. I learn, teach and have a spiritual leadership role. Chizuk? Advice

Welcome!

It's been lonely for me as a Rabbi without people like you

I have semicha from gye - check it out [HERE](#)

If another 2 mashpiim join, we can ask the Admin to create a new category for Unzere Lange Rekkele Chevra, because I've had enough of the Ballei Batim's forum and boich s'varas!!!!!!

Genug!

Ok - on a serious note - I think I suffered the same you did, then BH I found gye, got myself a truck, installed a GPS (see my signature), and am in a much better place!!!

All the best
