

Starting anew. again.

Posted by shmiraShachaim - 08 Feb 2016 19:28

Hi everyone. I have introduced myself in the past but I decided to open a new account because I haven't been on top of my GYE game and after falling a couple times after a long streak I decided to start afresh. No point explaining more so I'll get down to what I have been going through: I go by Chaim and I'm 23. I started a rollercoaster of depravity and *teshuvah* about four years ago which began with lusting and masturbating, and progressed to pornography. During this period I dealt with being diagnosed with OCD, ADD and depression, and my mother passing away. As is common with addicts, my image completely clashed with my activities and thoughts. I was viewed as a masmid, bal medos, tzadik, etc. but I had this storm going on inside me going on without anyone noticing it besides poor lonely me. True, I might of lacked self-esteem and overly cared about what people thought about me and feigned who I was somewhat, but I didn't view myself as a *complete* fake because I *did* care about growing and coming close to Hashem. Instead I saw myself as a very confused and depressed person. With a few therapists under my belt and signing up on GYE, I have been working on myself by attaining a better understating of my addiction and attempting to address my diagnoses and circumstances which are interrelated with each other and my addiction. B"H, I have gained clarity through GYE in the nature of my addiction and the means of going about it. I was able to stay clean for a month and a half and I felt it was time to start dating. I felt clear headed going out with my first date. I haven't done more than having the occasional fleeting sexual thoughts in a while and as far as I can tell I didn't view her as a sex object. I didn't fantasize about her and I'm pretty sure I was evaluating it with my usual methodical and even OCD thinking and I really truly believe it's a neis that I am engaged to her. She is sweet, pure, and has a very similar outlook and goals that I do. I was clean for a while but I was still working on a TaPHSIC shvuah. I was able to think it through and write it down, but I acted out before I actually said it. I acted out once after that by paying my "small" kinas. I am so scared. What has gotten into me? I need to prepare for marriage and not hurt this girl whom I committed to take care of in a loving and healthy way. Please Hashem help me on this never ending journey!!

On a practical level it will be his davening that helps because he's making an effort and wants to change, but there is also a concept of the captive not being able to get himself out of jail.

Haha :laughing:Thanks for the rooting! I am B'H ok as of now. Decided to push off the junk for a . Not surfing web either for now. Really have to figure out how to block it and get a better covenanteyes partner. There I am again pushing things off. Thanks Cords for the offer. I assume you're not too shabby at SOS calls, but I'll take advantage (or not? Too hopeful?) in the future. Thanks guys for being there for me! Means a lot to me!
