I've been here about a year ago and found a partner but it was short lived. I am now looking for a path

Welcome brother

You may find the path, but there's a tried and true GYE highway that really rocks!

Keep on Trucking and [Oinking](#)

Hi!

I found posting on the forums and reading about the struggles and successes of others to be very helpful.

Posting and reading is the best way to get started. You'll find info and ideas that can help you with whatever it is that you are struggling with.

Come here often, make sure you're committed to working on this issue, and you'll be matzliach.

Welcome chazzer,

I'm going to take the other path and assume you mean chazarah is important.

Has anything helped in the past?

What tools do you plan on using? (read the handbook for some ideas)

Keep us updated on how it's going and ask anything you like.

Welcome! Read the handbook. Check out some of the links in my signature, especially dov quotes. Keep posting.
