

Just beggining

Posted by Battling - 17 Jul 2016 23:17

Hi my name is Eli I'm 20 yrs old and single. I have been struggling for a while with Shmiras habris and Shmiras einayim. Over the last two years I've rly hit rock bottom from going to strip clubs and massage parlors and so on.. I am miserable that I'm doing these kind of things and really want to stop but need extreme support and advice as I've tried stopping before and it's been really rough I'm really excited about gye and hoping and praying that it will be able to help me out

By the way, do you have someone in real life you can talk to? A Rav/Rebbi? Friend or relative? It may be unthinkable to you now, but real help from real people is really powerful.
