Hi guys, this is my story.

all started when I changed my school(9 years old) and started to have friends that wasn't the best kind of people, so after a while I started to search at internet pictures of women(10 years old), and the things was getting worse. I started to watch porn movies and masturbate myself (13 years old),after 2 years I decided to stop. Was a long and hard way as I didn't know the gye, but b"h I've managed to stop. I still have many dificults with this yetser hara, but beezras Hashem I'll win this.

thank you for reading my story and sorry about my English

p.s. I was 7 years alone in this war, Baruch hashem I heard about the gye

Hi guys, this is my story. I'm a bohur yeshiva, and I didn't had the better kind of friends, so after some time I started to watch women at internet, masturbating and other things.

boruch hashem now I don't use anymore internet without a proper filter, and even I don't speak anymore with this "friends". But, I'm steel struggling every time when I go to streets or any other place that has women. Is really hard this y"h of giluy arroios, I don't know what to do win this battle.

I'm really glad to know this website, because I was more than 6 years fighting alone.

I ask apologies because my English is not so good

thank you

Thanks for joining me on the transit - our leader will be over soon to teach you [English](#)

I see now you edited your first post

Seven years of starvation is awesome - how did you manage that ?

I suggest you read the handbook or for a shortcut checkout the gye "solutions" page (click the 2nd spoiler button below)
