I am a 51 year old divorced man. I have 4 wonderful kids and a stable job. I have a great network of friends and family. I am active in my shul and value being involved with my community and learning. I have hope what I convey is appropriate for this forum: I have been dating a few years since my divorce and have had challenges with viewing inappropriate material and even keeping negiya. Hashem is so good to me and I have so much to be thankful for but I get selfish and focus on me when I am weak and breach in these areas. I am here to try to strengthen myself and to give and receive support in these areas.

Welcome!

Hatzlocha. Regular joe, or hollywood superstar? Either way, you're both Jewish. Hope to see more of you. B'sha'ah Tovah!
