Welcome brother

I really like your choice of username. As you progress, you'll surely appreciate it more

There are 2 roads ahead and people consider both as Trucking lanes

2 roads - You choose!

Welcome.

Your struggles should be gone

Your movies should be gone

And your frustrations should make you stronger

Good luck

Short n Sweet.

What do you struggle with when trying to view it? Are you using VLC media player? Sometimes Windows doesn't have the proper codec pack and the playback is messed up.

Jokes aside, welcome to the forum! Browse, read, learn, digest!

Welcome! It's nice to have you with us. You have identified frustration (anger) as an emotional

---

trigger to you acting out. What can you do to manage that frustration? How can you channel it to something positive?
