Welcome Brother,

You are not alone, there is a group of guys here going through very similar issues for many different reasons.

You can breathe easy, you will find most of the answers you need, right here on the site.

Find some free moments to read through the [GYE handbook](#) if you have not yet already done so. Take some extra time to go through the [30 Principles of GYE](#)

Of the many tools you will find here on this site, bringing the problem out into the open, out of isolation and sharing it with others in a similar boat is a great first step.

Read up on the various ways that many here have managed to stay clean for amazingly long periods of time by participating with us in the forum.

If you are dedicated to stopping, know that it is possible.

Most importantly.

Keep on Trucking.

How did you find out about gye?

I thought we were a secret club????

Now that you're here, we welcome you to the brotherhood with open arms!

In many cases porn is the solution not the problem. Your unfortunate parents divorce is likely a much bigger part of the problem, and there are many ways you can break free from your problems

May Gd be with you as you split the sea

Welcome! Check out the handbook. Keep posting. Have you gotten help to deal with the divorce? How is your relationship with your parents? Do you have anyone you can discuss this with?
