

my struggling

Posted by sivaneyes - 07 Jun 2017 17:51

I'm struggling since i'm 17 I thought when I get married it will be much easier, but that only worked for the first year...I'm a magid shiur now and I was in Kollel for over 10 years, and the whole time I was struggling off and on, I feel it's starting to affect my marriage...I'm looking for any help I can get, thank you

???? ????? ???

welcome you are at the right place

start by reading the hand book & the 90 day chart

Welcome

If you are struggling you are for sure at the right place. What are you struggling with? Tell us more about yourself and you will find alot of people with the same struggles who have been helped. Myself included
