Time to wake up and live as a Yid!!!!

Posted by ???? ???? - 14 Jun 2017 10:16

Hi there,

I've been fighting this for years on years, some days I tried, sometimes I didn't even bother, once I won and once I lost, it's been over 10 years now, how many hours and hours I have lost, how much did my yiddishkeit degrade only hashem knows. I had the best filters and technics installed on my computer over the years, none were perfect perfect as you probably know, I slipped again and again and at the end of the game there is only one me that can work on myself to be clean,

I happened to find this website which I never knew existed, it amazed me right away, I really hope that Hashem help me overcome the challenges. I will do my best, and Hashem will do his!!!!
