

First day on the site!

Posted by Strength - 27 Sep 2017 01:14

Hi! Just wanted to join the conversation here on my first day - happened to come across GYE online and decided to give it a shot during aseres yimei teshuva, and am really hopeful that it will provide me with the extra push I need to get past so many of the struggles!

Welcome strength to the club

Theres strength in numbers!

You don't need a push. You need a hitch to one of the successful truckers and you're good to go ;-)

If you're comfortable feel free to share what your many struggles are

Gmar Tov either way

great to have you here, it helped me alot this forum and still does. Check out what other people who had similar struggles to yours have done to help.

The easiest way to get this information is to tell us what you hope to get from this site.
