

Bearing???

Posted by bearing - 03 Dec 2017 10:52

I called myself bearing. I'm wondering how I'm bearing my diseased self? My addiction? My constant struggles?

Is it all for me to bear alone? Can I surrender myself? Declare utter powerlessness?

Is it a question of ability or of necessity?

Once I surrender will I be left to fall apart? Or will He hold me together?

Twelve years of insatiable lusting leave me with with no choice, either I consciously lose myself to Him or I will lost to the never ending whirlpool of lust.

My wife's discovery leaves me obliged, makes me realise serious help is needed.

I don't know what to do, I find it too easy to surrender the fight to Him.

I'm afraid of unfounded confidence and complacency which will lead me to my next fall, asvl
MY history has proven.
