Shalom Uveracha all,

I am an addict since my early teen years. From porn, to night clubs, to "paid for" services.... I am ready to move on. I'm ready to grow in a complete way. Hopefully with the help and encouragement from those of you who are in my boat....

Tizku LeMitzvos.

Hi,

Welcome, you have found the right place to start. Your story is my story. I joined GYE a few years ago but I have had many relapses, my last relapse was also with paid services. I recently started attending SAA meetings and I am working with a sponsor on the 12 steps. I have been sober now for a little over 45 days. It's really hard man, it takes a lot of work, but if you really dedicate your life to recovery it could work, or at least I hope it will. Keep coming back. Feel free to message me directly.
