

Just starting

Posted by Tokardave - 12 Feb 2018 05:23

Oh boy do I have an addiction.

hi everyone.

Hey Tokardave, welcome!

Well, fear not because you are in the right place. There are loads of people here with the same or similar struggles as you. It's generally helpful to share a bit about yourself and your struggles, without any identifying details of course.

Keep posting, get to know the crowd here and God willing today will be the day you took the first step towards your new life

Hi and welcome here is a place to try and get rid of that addiction and many have succeeded

sogo ahead and take advantage of all the wonderfull tools available

keep posting as you will stay connected and find those who have gone by the same path and got out
