Back here after a long long break. Bh I'm back! won't go to deep now. I'm at work. My life at over 50 yrs is a shambles (financially). Everything I've learned about the damage that impure behavior brings into ones life in the material world as well as spiritual is 100% true. Ive learned the hard way. Need some serious help ASAP.

Almost gave up a few times.

?Thank GD I'm Back here !!!
