Hi all,

I just joined GYE this past week. I have struggled with acting out from my early teens. Now I am in my early 20's, but nothing has changed much. Over the years I've had successes and failures - B"H I've never hit rock bottom. Recently I decided enough is enough, and with Gods help I hope to rid myself of my struggles by joining the incredible GYE community. Hatzlacha to all!

Welcome!

Define this rock bottom you haven't hit yet.

Why not just call the worst thing you've done "rock bottom"

can't dig further down through rock.
