

A struggling bochur

Posted by Shnitzel and kugel - 26 Jun 2018 19:00

Hi, everyone I'm a 21 year old bochur, struggled with masturbation since 14! Went to Yeshivah and bh had no access to technology so it wasn't really a issue then when I got a smartphone 2 years ago the issue started again. Bh I discovered this website 3 weeks ago, then I installed webchaver and iml very careful now with Shmiras ainayim whilst walking in the street, and I've also joined the 90 day challenge and I'm currently 16 days clean! Iyh many more day by day with the eibishter's help!

Any other bochurim out there in my boat?

So I've realized that unfortunately most bochurim with this issue don't seek help thinking after marriage it will be better.. if only they knew....

Also we know that when a person does teshuvah for mitzvos out of love to hashem, the aveiros become mitzvahs

How come? So its explained that since the aveiros made him far from hashem that caused him to want to be closer, in other words if nkt for doing aveiros, he wouldn't seek to be close to hashem,

?"? ?????? ?????? ?????? ?????? ??? ???????

?????? ??????? ?????? ???'

By us having this problem and realizing it and really being honest about ourselves, it makes such a better person by fixing all our other issues too..

For me personally they're not much different regarding what situations I act out in, and the recovery tools too

For me it has nothing to do with someone being married / single / divorced / drunk / yeshivish bres-lover / trump-hater... did I miss anyone?
