

A struggling bochur

Posted by Shnitzel and kugel - 26 Jun 2018 19:00

Hi, everyone I'm a 21 year old bochur, struggled with masturbation since 14! Went to Yeshivah and bh had no access to technology so it wasn't really a issue then when I got a smartphone 2 years ago the issue started again. Bh I discovered this website 3 weeks ago, then I installed webchaver and iml very careful now with Shmiras ainayim whilst walking in the street, and I've also joined the 90 day challenge and I'm currently 16 days clean! lyh many more day by day with the eibishter's help!

Any other bochurim out there in my boat?

I joined the 90 day challenge 200 days ago, and bh only messed up twice

These past 33 days were the easiest bh, I believe it was due to me going to therapy and taking care of the underlying issues.

Good shabbas to all!

Hi Shnitzel,

I feel for you. It must feel really depressing to get up today.

I just noticed your updated signature. I think there is an important lesson to be learned there.

I might get major flack for the statement below, it goes against a lot of what people believe here, however I feel it might be important to some.

There is quoted in Chassidishe Seferim, a concept of falling without a bechira, especially in these subjects, and also the concept that this is a war for life, as quoted in your signature. Sometimes we win the battle and sometimes not, however we cannot forget about the bigger picture. The end goal of the war.

There are times when the test is not if you will fall or not. Rather the test is will you be depressed 30 days afterwards or keep on fighting.

Wishing you much Hatzlocha!

HOW COULD YOU SAY THAT LIONKING! IT GOES AGAINST A LOT OF WHAT PEOPLE BELIEVE HERE! FLACK FLACK FLACK! I CAN'T BELIEVE THAT YOU THINK WE SHOULD GET UP AFTER A FALL! IT'S THE YETZER HARAH TELLING US NOT TO GET DOWN ABOUT LAST NIGHT AND KEEP ON TRYING NEW THINGS! IF WE GET DEPRESSED AFTER A FALL THEN WE MUST BE REAL FINER YIDDEN, BECAUSE IT SHOWS THAT IT REALLY BOTHES US. NEVERMIND THE FACT THAT WE'LL PROBABLY FALL AGAIN DURING THAT DEPRESSION, WE CAN ALWAYS GET DEPRESSED FOR THAT TOO! IN FACT WE CAN SPEND OUR WHOLE LIFE BEING DEPRESSED. THERE'S NO REASON TO ACTUALLY STAY SOBER. I'M GETTING DEPRESSED JUST THINKING ABOUT SUCH K'FIRA THINGS SUCH AS YOU WROTE.. FLACK FLACK FLACK!

Warning: Spoiler!

Shnitz, I dont know if you were just being vague in your post, or if that was your actual shvuah. Although I've never used the taphsik method, to the best of my knowledge it needs to be a two level shvuah. For example, if I want to act out I will twirl lolly pops in my noise, or learn b'euin for 10 minutes. If I do those things and then act out, I do **not** pay. But if I skip the learning (or whatever I used as your first step deterrent) and acted out, *then* I have to pay.

Simply saying that I will pay if I act out is just making a stronger slap on the wrist. It may work, but often it will not, since it allows us to go all of the way deep into the lust before we have to do anything. At that point it's often too late. The double sided taphsik method (which I have never used) aims to prevent one from even getting into the lustful situation to begin with.

The double method is just an extra option you can add, I did make just one shvuah, however I added bunch of details including reading things that trigger me etc

I understand you very very well!

maybe after your lust goes away THINK and WRITE down **how**? it was triggered. so avoid these ROADS.

let say by me: in need to be busy SO if im not busy- to PC stays closed.

etc. etc.
