

A struggling bochur

Posted by Shnitzel and kugel - 26 Jun 2018 19:00

Hi, everyone I'm a 21 year old bochur, struggled with masturbation since 14! Went to Yeshivah and bh had no access to technology so it wasn't really a issue then when I got a smartphone 2 years ago the issue started again. Bh I discovered this website 3 weeks ago, then I installed webchaver and iml very careful now with Shmiras ainayim whilst walking in the street, and I've also joined the 90 day challenge and I'm currently 16 days clean! Iyh many more day by day with the eibishter's help!

Any other bochurim out there in my boat?

Gut moied everyone,

I know there's many bochurim who read my thread as I keep getting pm and emails.

I'm not really active on gye anymore as I dont really have service in Yeshivah and I'm BH a choson getting married in a few weeks but....

...for some reason the eibishter had rachmonus on some struggling bochurim like me and redirected them to this site, most people on gye aren't as lucky as us.

I'm super happy that I had some guts to

- start my own thread
- keep posting my journey
- approach a random mashpia and tell him first thing about my porn issue
- go to therapy
- attend live SMART recovery meetings (thanks to lenegditamid100, which took great courage for me to meet face to face with him a bunch of times, great guy, keep up your amazing work!!!!)
- join dov's calls
- taphsik method etc

Bh I had the courage to continue fighting and fighting no matter what came my way, and as i was telling one bochur tonight there's no easy way to stop the lusting life but the fact you know about gye as a bochur, use it out to the fullest!! Do whatever it takes and fight and fight! And bezh when you get married you won't need gye anymore.

So bochur'l, shvitz and use out the awesome opportunity presented to you now to fix this issue whilst you're still single.

Looking forward to seeing more bochurim posting their success story!!

Shnitzel,

Marriage doesn't fix, sometimes even makes worse.

Wishing you a Mazel tov for the wedding.
