

Newbie

Good morning. I just discovered GYE yesterday. Printed out the handbook and started reading it. I am not new to sex addiction and have attended 12-step groups in my area although it has been over 5 years since I've been to an SLAA group. GYE seems to resonate with me and my goals as I am deepening my commitment to Judaism and also to being of service to the Jewish community. It is critical that I deal with this dirty secret in my life and arrest this compulsive disease. I'm glad to be here and eager to continue working on myself.
