I a bochur 21 and starting shidduchim soon. I usually only have a problem bein hazmanim like I've gone for a year without falling multiple times. But then come bein hazmanim and I get taken over by the yetzer hard. Tonight I went home for an off shabbos and my evil side came up with a whole plan how I was going to fall and I tried and tried to fight it but new I was running out of willpower but then when I actualy tried the loophole I thought of in my phone it didn't work! Hashem protected me!

God protect us!!

What has the world come to????

Which Yeshiva still gives Bein Hazmanims?

And Off Shabbos???

That Shabbos switch company is going to come out with an "Off Shabbos" switch

ABSOLUTELY LUDICROUS!

Tell your Rosh Yeshiva in my name, Ok????

And which Yeshiva allows their bachurim to own a smartphone???

Anyone that owns a smartphone should not be allowed in!!!

Im going to stand outside your Yeshiva with a Picket sign demanding that your Yeshiva expel all Anti-Vaxxers, Anti-Vekkers, Anti-Dumb phones...

YOU WATCH!!!

Ok ok ok calm down - I'm just kidding

Welcome to GYE

Nice 1st post

May Gd Keep protecting you!

The Truth is I'm safer with my smartphone than with my basic phone I had when I thought I was more frum which had an open browser unlike an iPhone which is filtered.
