Welcome brother

Some introduction posts are so long I simply don't have the time to read.

Thank you for sympathizing and taking my feelings into account ;-)

Now, whenever you're ready to share more, fire away

Yeah at

[guardyoureyes.com/videos](http://guardyoureyes.com/videos)

My phone is whitelisted so I can't access the actual gye.vid pages - the fireproof one I saw  
sometime back was good.

But nothing beats Rat Park
