_____

Hi, I am 32 years old, married and i have 4 children, b"h.

struggling with masturbation for the last 20 years, and for the last 5 years with calling inappropriate chat lines.

unfortunately i don't feel like changing yet.

hi, I just joined today and im in the same exact boat as hershy. but I do want to stop and im a wreck that my wife will find out and then it'll all be over. any ideas? desperate to stop. I stopped looking or trying to see bad pics but then the next YH pops up with the stupid chat phone lines!!! so depressing!!!!!!! any opinion if I should let my wife in on my issues or just keep on fighting on my own? BH im not doing these things that often but the hirurim are driving me crazy!!!!

I for one would appreciate a thread on this topic.

unfortunately I'm no big maskil in chassidus but would definitely like to see the before and after perspectives.
