

Back & Aiming For 30 Days

Posted by Confucius - 08 Jul 2019 19:47

Hello there.

I am thankfully back after my initial posting here over two years ago.

Much failure in the discipline department since then:(

I am now dedicated to living a more spiritual, wholesome, and dare I say godly life!

How I will do that is the question.

My first step is to spend time on here seeking inspiration and perhaps ideas.

I hope to post more soon.

30 days of control is the goal right now.

Buckle up!

Hi Gevura

Your current streak sounds like it's coming out if a Sofar.
