Back & Aiming For 30 Days Posted by Confucius - 08 Jul 2019 19:47
Hello there.
I am thankfully back after my initial posting here over two years ago.
Much failure in the discipline department since then:(
I am now dedicated to living a more spiritual, wholesome, and dare I say godly life!
How I will do that is the question.
My first step is to spend time on here seeking inspiration and perhaps ideas.
I hope to post more soon.
30 days of control is the goal right now.
Buckle up!

Hi Gevura
Your current streak sounds like it's coming out if a Sofar.
