

Wake Sleepy up!

Posted by sleepy - 12 Aug 2019 16:24

Hi everyone! I've been a fan of gye for a long time ,I've decided to join the crew and **wake up from my slumber** which has been induced on me and us by the decadent society around us. I'm here to give and get chizuk in a Torah sourced way. A Talmid Chacham advised me personally not to do the 12 steps(thats his personal advice to ME,whoever was advised to use it by Daas Torah ,KOL HAKAVOD!) B"H I've had a streak of clean days, and I feel joining such a chashuva chabura will help out. Hatzlacha to all!

I think people thank when they like and appreciate; they don't when they don't. Some move on

either way. There have been over 25 thank yous today BH.

There is a practical reason people might not thank, (aside from trouble's point) on the app if you go to the recent post page and click thank you there, it takes you to that thread which is a pain in the neck...

I don't know about the app, but on mobile, you can hard click on the thank you (like I just did to your post) and still remain on the same page you were before. Another page opens but it doesn't disturb your browsin'.

just curious, we are told here that when our wives arent interested we turn our wives into kosher toilets /masterbating toys,does it also work the other way around,if im tired and sleepy and i am not in the mood , but my wife wants affection/pleasure but no penetration,did she turn me into her kosher pleasure toy/v**rator?

if its considered rape if i use her when shes not in the mood, is it considered that she molested me when she uses me when im not in the mood?

Did you ever listen to this series? It's an amazing group of lectures that gives great clarity on the question you asked and more topics around it... [The Chosson Shmooze You WISH You Had, but Never Got!](#)

i have listened to many of those shiurim and have benefitted tremendously , lets get him on this forum, we would have alot to learn from him , i dont remember coming accross an answer that dealt with my question, would you mind being more specific , i dont have patience to look for a ,maybe those people who formulated the kosher masterbating tool slang or quote it very often have thoughts on the matter
