

Hi everyone! I'm new.

---

Hi- I don't want to post a big story here, because I don't know what is appropriate to share here. I decided I need support and an official counting of sobriety. I was in SA in the past, and had 2 years of "sobriety". I left SA for many reasons, but I know that I need a community, I need friends to stay well.

=====

Thanks for having me!
