

Make it to Yeshiva

Hi everyone,

First I want to say that I am humbled and honored to be in the presence of such Giborei Koach, true warriors of Hakadosh Baruch Hu.

I bh am not addicted to pornography.

I haven't been on a porn website.

But I'm getting close, and I'm here to gain chizuk not to fall into it.

Once I return to Yeshiva I'm safe, but as long as I'm home I'm in danger, and bh I haven't fallen into pornography. However it's the next step, chalila.

I bh am running a camp, so I started keeping busy, so bh have only been nichshal once in the last 3 weeks.

i want to just express my gratitude to all of you, and my great admiration for each and every one of you.

My Yetzer tries telling me "comon, porn can't be that bad, it's just the word that sounds scary" or like "it can't be so different than YouTube videos"

So I'm here to gain that chizuk.

thank you!

Thanks, I do, I think it's a deeper problem that I have. That I'm never satisfied with accomplishments and have a voice inside my head always saying I'm a failure

Oy! Another perfectionist like me. Every accomplishment *really* isn't good.....

It's deeper than that I think.. it's that I b'etzem am a failure... idk waiting for the email back from therapist

Wow look at the power of the Yetzer - the guy who pulled off quarantine in the RV ( among many other incredible acts

of strength) calling himself a failure .. if you would read through your thread but it was written by someone else you would be mighty impressed such as we are .

But all the same I understand where your coming from

and I have had similar struggles questioning my accomplishments and self worth , I hope you realize your special value that you bring to the world and keep attaining greater heights

Hatzlacha holy brotherThanks for the kind words. I hate to play devils advocate, especially cuz like, it's the devil...

But Theres many other parts of Avodas HaShem and just cuz u guys see I'm shteiging in one particular area, doesn't mean I'm such a special and accomplished guy.

Everyone here gets so impressed when someone is matzliach in these inyanim and think the guys is a massive tzadik, and it's true it's impressive. But like cmon, there's a whole gamut of middos, mitzvos etc to be worked on.

Obviously I know this stuff is extra choshuv etc...

Im just saying that it's very nice that I'm doing well in this stuff, but I'm not some massive tzadik. I got a lot of middos to work on- chesed,savlanus etc etc. gotta work on my bitachon, on my learning/Tefilla etc.

Ok I know I'm being hard on myself again. Sorry for rambling.

You guys are all definitely tzadikim, don't worry.

Im just being negative...

I hope no one feels bad from what I just said. We really are all accomplishing a lot. I just happen to be overly judgmental of myself.

I know that bchlall I don't appreciate my maalos. My therapist advised me to first speak with my Rebbi, which I will bezras Hashem do tomorrow.

It's not like I'm some massive masmid and Baal middos who for some strange reason doesn't appreciate his maalos.

Im a stam guy. Ok so I'm a little matzliach in learning (when I learn) and haven't masterbated recently.

Doesn't seem like there's much to be proud of.

But I know, y'all are thinking "everyone has maalos to be proud of"

That sounds sweet but I'm not buying it.

I think some people are just poshut failures. Inside and out.

Anyway, I'll spare u guys my negativity. Especially cuz I'm not thinking straight and prob don't beleive what I'm saying

Here's a look at my mind right now as I lay in bed:

Yetzer: hey I see ur down

Me:yup really feel horrible, will speak to Rebbi tomorrow

Yetzer: great idea. Why not masterbate now though so you'll get some relief? After all these emotions aren't your fault, you need a break

Me: hahaha! Halarious, dude u think I'm gonna be nichshal now just cuz I'm down. What shaychus?

Yetzer: well ur in pain, and anyways ur a failure in other parts of ur Avodas HaShem. I mean, u even missed night seder!

Me: 1. Just cuz I'm a failure (which is debatable) in some parts of life doesn't mean I should fail here!

2. Being nichshal now will make me feel so so horrible

3. This isn't the way to deal with problems. An "ever" is to be used for Kedusha. It's not a toy to be played with when one is down.

Yetzer: ok fine, u got a point. But if u change ur mind let me know

Me: lol! Ya right bud, have a gn

You have a conversation like that, you even post it for everyone to see, and you try to say you're a failure??????

You're currently on the level of Yosef HaTzaddik by saying no to your Yetzer Hora! Not stam.

He also probably knew that beating himself up over little things was counterproductive. Go to sleep, and get to shacharis and seder tomorrow.
