

Make it to Yeshiva

Posted by YeshivaGuy - 04 Aug 2020 05:33

Hi everyone,

First I want to say that I am humbled and honored to be in the presence of such Giborei Koach, true warriors of Hakadosh Baruch Hu.

I bh am not addicted to pornography.

I haven't been on a porn website.

But I'm getting close, and I'm here to gain chizuk not to fall into it.

Once I return to Yeshiva I'm safe, but as long as I'm home I'm in danger, and bh I haven't fallen into pornography. However it's the next step, chalila.

I bh am running a camp, so I started keeping busy, so bh have only been nichshal once in the last 3 weeks.

i want to just express my gratitude to all of you, and my great admiration for each and every one of you.

My Yetzer tries telling me "comon, porn can't be that bad, it's just the word that sounds scary" or like "it can't be so different than YouTube videos"

So I'm here to gain that chizuk.

thank you!

Honesty.

With myself, you guys, and with HaShem.

So here it is: I have a taiva, a lingering thought in my head to get one of my parents to put in the restrictions code and to download a chatting/hookup app.

My taiva is mainly to have a relationship, and these things are a thrill...

This is what is going through my mind.

Keeping you guys posted.

Im past that garbage. All eitzas are open.

Thank You all so so much!

I have a better taiva for you. Pick some interseting Minchas Chinuchs on Korban Pesach (last week's parsha). Make them your weekend off project.

Thanks for sharing your ups and downs - real people have real situations to deal with!

Feel free to write your feelings out right here.

You could also have written

I have a taiva... for a chatting app.

And heck for the last few days I've been made to feel like garbage, and so all eitzas are open.

I was driving with a close friend of mine enroute home, and I mentioned to him my kabola to not use unfiltered internet device/tv and he said "so how are u gonna chill/what are u gonna do the whole time?" He couldn't chap like what am I gonna do over the off shabbos.

I said "idk but not that stuff!"

It's scary at first, when detaching from things which we grow up going to for entertainment/relaxation.

And like, Imaaseh, I can't play basketball outside cuz it's freezing (I guess now u guys know what side of the Equator I live), so we'll see.

In my mind, my goal here is not simply to stop Masterbating/watching bad vids, but more than

that.

My goal is to become a person with a “chush” for ruchnius...

Obviously one should take baby steps, but I think I’m holding here bh.

Anyway, thanks for hearing me out!

Been waiting all Shabbos to share where I’m holding.

Had a lot of taiva to masterbate over Shabbos.

Still have that taiva.

Thoughts in my mind to go online on chatting site/masterbate/watch vids/get restrictions code.

Will try to push myself to work out.

Its empty being home, not a Makom Aliya, so when there’s no ruach of Ruchnius pushing me in one direction, the ruach hatuma is felt much stronger.

I will prob be posting a lot tonight.

Its very hard, but I want a life of Kedusha so badly.

Thought of a girl from my past over Shabbos. Was hard. Felt “charata” that I gave that up...

Parents mentioned shidduchim, (and the physical characteristics id prefer, Oy..) so was on my mind a shtikl.

I really just want a kesher, to express love and give myself over to my wife bezras Hashem.

So was hard, I dreamed of such a deep kesher.

I know that if this is what I aspire to have one day then I must NOT train myself to express my sexuality in a selfish manner.

Its funny, the Yetzer Hara seeks to take this real desire within me to “give,” and get me to channel it to “take.”

Ive fallen into this trap before.

In the past when I’d masterbate “to something,” I would think in my mind ?????? I’m giving myself over to that shiksa.

And I guess I was, I was giving myself over to the ?? ???????...

But not this time.

I just can’t let go. I love the Ribono Shel Olam too much to do that...

Together we willl emerge from this furnace unscathed.

Anyway, gut vuch

Will be bkeshher bezras Hashem

I hear you, I was home for Shabbos too...empty.

I really just want a keshet, to express love and give myself over to my wife bezras Hashem.

I hear you...I really do. That's why we're here working on ourselves. You're doing great and you definitely have the right mindset. I really think you'll make a great husband.

Post away, it's always a pleasure to hear from you.

It's amazing, how the taiva fantasizes about the hanaa of the zera coming out. But what's so amazing is that ik the moment it comes out, the "ever" becomes just a wet piece of meat and it was all an illusion
