

Make it to Yeshiva

Posted by YeshivaGuy - 04 Aug 2020 05:33

Hi everyone,

First I want to say that I am humbled and honored to be in the presence of such Giborei Koach, true warriors of Hakadosh Baruch Hu.

I bh am not addicted to pornography.

I haven't been on a porn website.

But I'm getting close, and I'm here to gain chizuk not to fall into it.

Once I return to Yeshiva I'm safe, but as long as I'm home I'm in danger, and bh I haven't fallen into pornography. However it's the next step, chalila.

I bh am running a camp, so I started keeping busy, so bh have only been nichshal once in the last 3 weeks.

i want to just express my gratitude to all of you, and my great admiration for each and every one of you.

My Yetzer tries telling me "comon, porn can't be that bad, it's just the word that sounds scary" or like "it can't be so different than YouTube videos"

So I'm here to gain that chizuk.

thank you!

I wonder, maybe if I'd just masterbate id be happier? With an extra boost of dopamine?

I know it's a crumb sevara, but the Yetzer has a good point... no?

Yes.

Don't let any MonstahTricks tell you otherwise

Warning: Spoiler!

Hey!!

Looking back now, I see YG clicked the TY button on my post only.

Apparently yours is the Krummer svava.

You have to concede that you've been out voted, unless you plan on having your Twitter account shut down too...

Just saying that I'm actively keeping myself in bed and not allowing myself to walk to the next room over where the computer is.

Aaahh!! Everyone's asleep. I can just get this over with, it's sooo easy...

Oy Eibishter, have rachmanus!

Good Night chevra, I love you all

What are you doing about the fact that the guy next door in the dorm has an unsafe computer?
How many bochurim have access to that device?!

Rabboisai, I would like to masterbate, but I don't think it's a good idea.

But Imaaseh I want to.

But still, not a good idea.

R Yeshiva Guy,

You may not realize this but you are not a masturbater! Maybe you used to be, but those days are over. Sorry about that (well, not really sorry) but it's time to move on. I used to be a regular soda drinker. Big time soda drinker! Now for reasons I am only a diet soda drinker. It's just who I am now. I go to Simcha, kiddush etc I automatically know to look for the diet soda, because I am no longer a regular soda drinker. I'm just not. It took some time and has it challenging times but **I am not a regular soda drinker and you are not a masturbater.**

I love this simplistic, yet profound post. Has an undertone of deep yearning and resolve, albeit with a sprinkling of normalcy and humanity. Brings tears to my eyes, as I believe that it captures the essence of our community - like no other post that I have ever seen...

Belongs on Starting's "resonate thread" (I just don't have the guts to do that cuz it would make

me look apathetic...)

With love from Grodno ~ IMG

Here it is:

So my iPhone is filtered properly bh.

Prob is, I stumbled (not so beshogeg) upon the ability to listen to Kol Isha/see music vids on my phone (first 30 sec of it. But that's enough to poison me).

There i said it.

This can kill me.

Already was nichshal abit.

It's overpowering.

I can not withstand this.

I hope this doesn't mark my demise...

Whats the eitza?

Uh, I can try getting my mom to put in restrictions code so I can try fixing the settings.

One reason not to though, is that it shows that I have 6 failed attempts to put in the code...

Embarrassing....

Oy,

YeshivaGuy

Oy,

Why not have TAG put one of their filters on it? They do a fantastic job.
