

Make it to Yeshiva

Hi everyone,

First I want to say that I am humbled and honored to be in the presence of such Giborei Koach, true warriors of Hakadosh Baruch Hu.

I bh am not addicted to pornography.

I haven't been on a porn website.

But I'm getting close, and I'm here to gain chizuk not to fall into it.

Once I return to Yeshiva I'm safe, but as long as I'm home I'm in danger, and bh I haven't fallen into pornography. However it's the next step, chalila.

I bh am running a camp, so I started keeping busy, so bh have only been nichshal once in the last 3 weeks.

i want to just express my gratitude to all of you, and my great admiration for each and every one of you.

My Yetzer tries telling me "comon, porn can't be that bad, it's just the word that sounds scary" or like "it can't be so different than YouTube videos"

So I'm here to gain that chizuk.

thank you!

Lovely.

So someone please make a post that simultaneously cheerleads YG, helps him feel macho while also accomplishing the third heilige task of gently scolding him...This way we got all bases covered for our dear friend YG.

Best post gets a shkoyich.

Lol

Alls good guys, no worries. I'm really fine, no need to cover bases or anything.

I was just saying to be mindful to a person in a shtikl Depression. And if u never experienced real clinicial depression, then better not to risk it.

Anyway, I may take a miny break from here... Y'all are great. Hatzlocha and Shkoyach!

I actually think that a 3rd option of some "tough love" **might** be beneficial as well.

“**Might**” is the key word. It would be best to not forget that. It also **Might** have a negative affect, when it’s done wrong. Especially to a person who’s already in emotional pain.

A thought.

especialy when the **tough** is felt but the **love** isnt...

Baruch HaShem I've been doing pretty well.

Been sick the last few days, so feeling shver.

Staying away from my phone has been going great, though I've had it on me while sick so I can contact my chavrusa, friends, parents etc, and I don't have koach to go upstairs.

Baruch HaShem I've been doing well though.

Finnaly had a great morning seder at beginning of the week, but then got sick. But THATS OK! Because I'm searving HaShem. Not Myself. And I need to accept what HaShem gives me and make the most of it.

Im trying to be patient with myself on many fronts, including learning, davening, weight loss etc, and it's been going pretty well Bh.

Been feeling a shtikl "free," though I'm scared to say that...

Spoke to a guy my age who hasn't masterbated in like 1/2 years, and I felt like what's the point of what I'm doing if he's that ahead of me.

But I discarded that thought as stupid.

Anyway, will be bkesher!

A Gut Chodesh and a Gut Shabbos!

160 days clean Baruch HaShem.

Had a dream on Shabbos that was in bed with a certain girl and was about to... then woke up.

Was pretty bummed out that didn't finish the dream.

And was turned on etc.

Bh didnt "act out."

There was a Bar Mitzva on campus so was a woman walking by me. Baruch HaShem I looked down so not to grow the flame of taiva that was burning from the dream.

It was hard but I prevailed, Bh.

I'm proud to have made it this far, im in the mood now to be nichshal a bit, but I'll take a pass.

Still not feeling the best, my head has been hurting a lot the last 4 days...

Anyway, Gut Vuch!

The voices are speaking. Saying I have no future. I am doomed. I missed first seder last two days and I will never retrieve that opportunity. I'm done.

I watch the bustling buchrim and chevrei hakollel, learning yomam v'laila.

And me?

I walk in a daze.

Aimlessly traversing these hollowed grounds.

Oy.

But, I shall pull myself together ones more, with inner strength and will. I will go to sleep and tomorrow will be better. It WILL.

I need to believe.

Good night dearest friends

My Rosh Yeshiva (He will have to remain nameless) is someone that speaks always blashon nekiya. However, he once told that sometimes you have to just turn around and tell your yetzer hara "Shut up!" I think that response would be appropriate to those doomsday voices that you hear.

Yes I hear and appreciate the reality check.

But idk, I feel like it's more choshuv to be a masmid/Talmud Chacham that isn't matzliach in Shmiras hakedusha than to be some guy who just doesn't masterbate...

Excuse my probably crumb mindset, but a part of me would rather be a Talmud Chacham than a tzadik.

The question is why?

Anyway chevra, ah Gutten Nacht!
