

Make it to Yeshiva

Hi everyone,

First I want to say that I am humbled and honored to be in the presence of such Giborei Koach, true warriors of Hakadosh Baruch Hu.

I bh am not addicted to pornography.

I haven't been on a porn website.

But I'm getting close, and I'm here to gain chizuk not to fall into it.

Once I return to Yeshiva I'm safe, but as long as I'm home I'm in danger, and bh I haven't fallen into pornography. However it's the next step, chalila.

I bh am running a camp, so I started keeping busy, so bh have only been nichshal once in the last 3 weeks.

i want to just express my gratitude to all of you, and my great admiration for each and every one of you.

My Yetzer tries telling me "comon, porn can't be that bad, it's just the word that sounds scary" or like "it can't be so different than YouTube videos"

So I'm here to gain that chizuk.

thank you!

I feel like it's more choshuv to be a masmid/Talmud Chacham that isn't matzliach in Shmiras hakedusha than to be some guy who just doesn't masterbate...

ROTFL

You may just have to google it because no one is going to explain this one, it's too easy.

If it helps, i have a similar experience. I struggle with what some would call basic Judaism (Davening, learning) but i know i'm here for a reason (on earth). I've always been told that the biggest challenge is what your tafkid likely is, and my strongest yh is porn, masturbation and the related issues.

While i sometimes feel like a failure in terms of davening and learning. I know that if i can overcome in this area, dayenu.

(and then keep growing)

The voices are speaking. Saying I have no future. I am doomed. I missed first seder last two days and I will never retrieve that opportunity. I'm done.

Turn off the volume.....

So now no chavrusa for first seder! Gotta hold out and see wat to do.

Baruch HaShem made it to seder today, came late to 2nd seder, and taught a public school kid aleph beis, so bh getting better.

Ive also been shmuzing with two true Mevakshei HaShem from the chevra, the last few days.

Special guys.

Spoke a shtikl nivul peh with my roommate today, wanna clean up my act in that department...

Anyway,

Hang in there buddy.

Every time you say no, Hashem smiles.

Every single, painful and wretched time.
