

Make it to Yeshiva

Posted by YeshivaGuy - 04 Aug 2020 05:33

Hi everyone,

First I want to say that I am humbled and honored to be in the presence of such Giborei Koach, true warriors of Hakadosh Baruch Hu.

I bh am not addicted to pornography.

I haven't been on a porn website.

But I'm getting close, and I'm here to gain chizuk not to fall into it.

Once I return to Yeshiva I'm safe, but as long as I'm home I'm in danger, and bh I haven't fallen into pornography. However it's the next step, chalila.

I bh am running a camp, so I started keeping busy, so bh have only been nichshal once in the last 3 weeks.

i want to just express my gratitude to all of you, and my great admiration for each and every one of you.

My Yetzer tries telling me "comon, porn can't be that bad, it's just the word that sounds scary" or like "it can't be so different than YouTube videos"

So I'm here to gain that chizuk.

thank you!

Shkoyach. I'm in camp, giving shiur every morning and afternoon, shmuzing with guys etc. I'm busy and accomplishing, bh.

As well, the new dose of medication I'm on has helped a lot, and all in all doing well.

I have one more week here and camp and then off to Yeshiva for Elul. Once I return to Yeshiva, I'll be engaging in very intense trauma therapy for certain things, so I'm not so excited for that and hope it won't ruin the zone that I'm in, but b'ezras Hashem all will be good.

Hey, so number #1) know that I don't know your struggle like you know it, everyone is different. #2) I'm not sure what yeshiva setting you are going back to, but just want to say from someone who has been to Yeshiva for abt 1.5 yrs in Israel, YOU ARE NOT SAFE anywhere. I don't care how good the filter is, it's not 100% and if you figure out a way around then it becomes 0% effective. When you think you're safe is when the Yestzer Hara has you in his grasp at some point in the future. That being said, the fact that you haven't watched full on PORN gives you the ability to focus on only 1 addiction. Porn is where the addiction to turns into a whole new addiction. (Just bcs it's not full on PORN doesn't mean there's nothing else out there, plenty of things can hurt your eyes, including YouTube and other social media. don't think not full on PORN isn't porn, it is.)

Know you don't need to be where everyone has been, it's an illusion to feel it's something you have to do and is the next step in your journey. It's not normal and it's not the next step. If you are not going up your going down, focus on the battle in front of you instead of being trapped on both sides. You have the ability to relate to ppl who haven't watched porn, you can help them.

???????? ?????? ????????

I am so so angry. Not going into details. I was taken advantage of, messed over, and am expected to smile and act as normal.

Im fuming. Lying in bed and would love to relieve this by masterbating, holding back though.

Shabbos was good Baruch HaShem.

I struggled a lot to not look at one of the people's daughters in camp. I did very well, not perfect, but when I caught myself I closed my eyes. Was very hard, Baruch HaShem.

Today as well, a girl walked passed me, I started lusting and then quickly shifted gears to realizing that it's a person walking. Not some sexual beast.

I leave camp in the morning, will be stopping home overnight and bezras Hashem returning to Yeshiva early Monday Morning.

Have a good night and Gut Chodesh!
