

Make it to Yeshiva

Posted by YeshivaGuy - 04 Aug 2020 05:33

Hi everyone,

First I want to say that I am humbled and honored to be in the presence of such Giborei Koach, true warriors of Hakadosh Baruch Hu.

I bh am not addicted to pornography.

I haven't been on a porn website.

But I'm getting close, and I'm here to gain chizuk not to fall into it.

Once I return to Yeshiva I'm safe, but as long as I'm home I'm in danger, and bh I haven't fallen into pornography. However it's the next step, chalila.

I bh am running a camp, so I started keeping busy, so bh have only been nichshal once in the last 3 weeks.

i want to just express my gratitude to all of you, and my great admiration for each and every one of you.

My Yetzer tries telling me "comon, porn can't be that bad, it's just the word that sounds scary" or like "it can't be so different than YouTube videos"

So I'm here to gain that chizuk.

thank you!

If you have never seen "it" you have retained an innocence like Adam in Gan Eden. You have not bitten from the Tree of Knowledge and have only eaten from the Tree of Life. Stay pure to inspire us! I believe in you!!

Hi Yaakov, welcome to GYE!

I am having a hard time understanding your posts. Do you struggle with porn and/or masturbation or are free for a long time with lots of experience and you understand what works and what doesn't and are here primarily to help others.

If you are here for the former, it will help if you start your own thread, introduce yourself and share a little about your struggle. GYE is an amazing community that offers tremendous support that you won't find anywhere else and I am proud to be part of it.

Excluding specific circumstances, I don't think it's ever a good idea to "just go for it".

I get your quandary. I would also ask, is it something you struggle with on the day to day or you're posting here because this specific issue has come up? Personally, if you have no prior issues, I say go for it.

Thank you for reaching out. And please do take up Wilnevergiveup on his post and let us know

your role here and if we can be of service to you then it would be best to start your own thread.

I take great issue with you saying to "go for it," perhaps you can please explain what you mean by it and what exactly is your reasoning?

Thanks,

YeshivaGuy

Today I went to target to get some things.

There were pretty girls there (the frum ones are always the hardest), and Baruch HaShem Yisborach I was matzliach.

Even when I needed to get a notebook in the same vicinity of a girl, I looked straight ahead.

I remained conscious of the fact that women are people and not items to be consumed.

Thank you all,

YeshivaGuy

YG is gonna kill me for this, but here's the redacted post

"When I needed to get a notebook in the same vicinity of a girl, I looked straight ahead.

Our eyes met. I pulled out my gye Siddur and read to her page 199. "You are someone's daughter (obviously). Women are people and not items to be consumed. I will never objectify you.

Now will you marry me please??"

She said "I object"

I said "You no object"

This went back and forth a couple of times until I finally understood why the women's forum was separated from the guys...

So I'm clean today. Not sure about tomorrow, maybe I'll finally meet a smart woman...

Hey guys, I need some chizzuk.

Was shmuzing with some friends in Yeshiva tonight, and they started discussing a tv show about off the derech people, I hadn't heard of it before so they told me about it.

Then my friend took out his laptop to show us the trailer.

It was me and a few guys and immediately at the beginning there was a woman with her chest showing, I was taken aback and walked away, and my friends didn't flinch. They kept watching it, and told me (as saying nebach it's so crumb) it was very inappropriate, and kissing etc.

I was so surprised that these guys had no boosha to see that in a yeshiva dorm together.

I felt bad that maybe I looked too frum and there was a guy who said sarcastically "you're suuucchh a tzaddiik," and thought maybe I should apologize, but I didn't. Instead I said "I'm not such a tzadik, I just know that if I see breasts I'll go crazy."

The thing is, it's not that I'm super duper perfect with Shmiras Eynayim, I was just repulsed at that moment, which made me feel hypocritical...

WOW!!!!

YOU ARE THE NEXT LEVEL!!!!

GEVURA OF YOSEF HATZADDIK!!!!

HOLD YOUR HEAD UP AND FOR THE REST OF YOUR LIFE USE THIS INCIDENT TO DESCRIBE YOURSELF

For the last hour: Have been lying in bed during NightSeder. Why? Cuz I'm exhausted. Thoughts drift to how much I didn't enjoy learning today. I've been pushing to learn most of first/2nd seder but hasn't been so Geshmak (besides some moments here and there).

-Enter Yetzer

Yetzer: Masterbate, find a way to watch some vids and you'll feel good!

Me: What shaychus? I'm upset about my learning.

Yetzer: Cmon, it would be so so Geshmak if you could just masterbate, watch bad zachen etc. why are you depriving yourself from such gevaldik taanugim?!

Me: You have a point it is Geshmak... But it's not ???? to masterbate now as I don't even have anything to watch, it's such a "waste" of a fall.

But Oy maybe you're right...

(Fantasies and an erection ensues)

Me: Ah! I can't do it, I will just feel worse and I'll have to start over. And it's Elul, cmon!

Yetzer: Don't think just enjoy, cmon turn over, just reach down and give it a touch and enjoy yourself, cmon. Just think about that moment of pleasure, that can be yours, it's so so easy.

Me:Aaahhh!! I'll post this on GYE and hopefully that will help.
