

Make it to Yeshiva

Posted by YeshivaGuy - 04 Aug 2020 05:33

Hi everyone,

First I want to say that I am humbled and honored to be in the presence of such Giborei Koach, true warriors of Hakadosh Baruch Hu.

I bh am not addicted to pornography.

I haven't been on a porn website.

But I'm getting close, and I'm here to gain chizuk not to fall into it.

Once I return to Yeshiva I'm safe, but as long as I'm home I'm in danger, and bh I haven't fallen into pornography. However it's the next step, chalila.

I bh am running a camp, so I started keeping busy, so bh have only been nichshal once in the last 3 weeks.

i want to just express my gratitude to all of you, and my great admiration for each and every one of you.

My Yetzer tries telling me "comon, porn can't be that bad, it's just the word that sounds scary" or like "it can't be so different than YouTube videos"

So I'm here to gain that chizuk.

thank you!

You have a large fan club of admirers rooting for you by the sidelines. Many are not sure how to respond to your pain; nevertheless they truly care. May Hashem give you menuchas hanefesh and help you accept these past issues and move on from the pain. Iyh you will be able to be a great listening ear and supportive shoulder for many others who unfortunately will need similar assistance. Look at the yeshiva as a teivas Noach. Much safer as far as technology (but of course be careful with friends' "kosher" phones/laptops), and your daily sights and happenings there are cleaner and sometimes more inspiring. It sounds like your rebbi is advising not to be a perfectionist and get tough on yourself about how many hours you learn or dafim you complete. Accept that and understand that we all have tekufos that are challenging, where we need to relax and "chill". Hatzlacha tzaddik!

P. S. I hope you realize who you are. Despite this emotional gehenom you describe experiencing, your eyes have been clean for over a month and you have greatly minimized masturbation. I am in awe. When i traversed my anxiety ridden yeshiva days, it was masturbation 3 times a day on the average. You are a hero.

Woke up in middle of the night and masturbated. I reset the count cuz I think I had enough daas at the time.

Not going into anything else, but I learnt first seder today and joined a gym.

Hatzlocha

Things are potentially looking a little more promising.

We'll see what happens.

You have hundreds, perhaps even thousands of SE days. So stop knocking yourself, cos you know where that gets you...

Thanks buddy, but that's not what's giving me a hard time. Things have been very difficult in other areas of life. But still, it's nice to check in with you guys who I know care about me.

I am the victim of all injustice.

The world around stares at me and laughs.

And I, remain bound by my past and robbed of all present and future.

I wish you all a less torturous existence than my own.

Well the good news is that it's me. So you can rest easy now.

Its not right though, for me to vomit all my negativity onto you guys, especially since I'm not explaining anything at all.

Take care dear friends,

YeshivaGuy
