

Make it to Yeshiva

Posted by YeshivaGuy - 04 Aug 2020 05:33

Hi everyone,

First I want to say that I am humbled and honored to be in the presence of such Giborei Koach, true warriors of Hakadosh Baruch Hu.

I bh am not addicted to pornography.

I haven't been on a porn website.

But I'm getting close, and I'm here to gain chizuk not to fall into it.

Once I return to Yeshiva I'm safe, but as long as I'm home I'm in danger, and bh I haven't fallen into pornography. However it's the next step, chalila.

I bh am running a camp, so I started keeping busy, so bh have only been nichshal once in the last 3 weeks.

i want to just express my gratitude to all of you, and my great admiration for each and every one of you.

My Yetzer tries telling me "comon, porn can't be that bad, it's just the word that sounds scary" or like "it can't be so different than YouTube videos"

So I'm here to gain that chizuk.

thank you!

Was thinking of you all through yom kippur. As an example of the special people klal Yisroel have.

Did not not know of your test or your fathers illness, Refuah Sheleima, may you and your family have a very healthy and happy year.

Firstly, a gigantic refuah shelaima to your father.

Almost like a mofes story! For sure something to tell the kids one day. Hashem really looked after you, and others. You must be very special to merit that.

Have a great new year, filled with beracha, health, happiness and success in ruchni and gashmi for you and your whole family, and gans clal yisroel.

p.s. Congrats on 3 weeks!!!

Was just offered a (unfiltered) iPad to use during my time in the RV (another week).

I said "that's the last thing I need right now"

Thats a win fellas!

Not sure what I'm gonna do in this RV for the next week, but I'm sure not gonna ruin my relationship with HaShem!!

Bh a good day.

Managed to learn, not be nichshal etc

Though I watched the debate tonight, bad move cuz I've been super into politics since 2016, and I've seen my Emuna and Bitachon suffer as a result...

Ive started seriously thinking that we'll be doomed unless...

When really it's all in Hashems hands.

Since detaching from politics my life has been happier and my Emunas stronger.

Not to mention I've been able to concentrate way better in Learning.

Its hard when it seems that if someone's elected then... But I guess that's the Nisayon of Teva!
To maintain that there's ????? ?????

So I feel kinda gross cuz went back to that train of thought that we need ** elected president else, and I started looking for articles to say that ** will win and started getting worried about polls saying ** will lose.

And that's not good.

For anxiety. Happiness. And for my Avodas HaShem.

I watched the debate as a "break" to inhance my Avodas HaShem. But now I see it's the opposite..,

These are the dangers of immersing oneself in secular society and culture, because it all revolves around ????? ????? ??? ??? ?? ?? ????? ?????

And I used to think I wouldn't be influenced, but I see that I have...

May we all be zoche to have true Emuna and Bitachon in HaShem Yisborach and realize that the economy, social stability etc is decided not by the candidates but by HaShem Yisborach.

Thank You

Was just sitting eating lunch and was thinking what to do next.

The first thing to come to mind was to masterbate cuz it's geshmak.

Weird.

I guess what I need is more healthy outlets- ways to relax etc other than masterbating...

But like, a part of me says "dude u got corona ur exhausted from it- hard to get out of bed. Just do it- enjoy a little bit- ur putting urself through extra pain for no reason. Ur alone in an rv for already 5 days and got a week to go! Chill man, tell ur parents to send over the laptop and enjoy abit"

Something tells me though that that's not the side of me I should be listening to...

I strongly identify with this. I too began following politics as a hobby/outlet and failed to see how detrimental it can be emotionally and spiritually. Sometimes I feel like Its hard to find a harmless outlet. But it's definitely a very hard habit to break, based on my experience...

I'm trying.

Its hard though cuz I'm also so lonely in this rv and there's only so long I can speak to a friend on the phone...
