

Make it to Yeshiva

Posted by YeshivaGuy - 04 Aug 2020 05:33

Hi everyone,

First I want to say that I am humbled and honored to be in the presence of such Giborei Koach, true warriors of Hakadosh Baruch Hu.

I bh am not addicted to pornography.

I haven't been on a porn website.

But I'm getting close, and I'm here to gain chizuk not to fall into it.

Once I return to Yeshiva I'm safe, but as long as I'm home I'm in danger, and bh I haven't fallen into pornography. However it's the next step, chalila.

I bh am running a camp, so I started keeping busy, so bh have only been nichshal once in the last 3 weeks.

i want to just express my gratitude to all of you, and my great admiration for each and every one of you.

My Yetzer tries telling me "comon, porn can't be that bad, it's just the word that sounds scary" or like "it can't be so different than YouTube videos"

So I'm here to gain that chizuk.

thank you!

This past week I ditched the smartphone totally bh and used my new kosher phone.

It is the Quinn F30, not to be confused with the Fig phone. It has Email, Waze etc. Highly recommended to check it out.

So I was clean since last Sunday. Longest streak in a long while.

Would like to date, it's a hard call when to say I'm good enough with my trauma work until then.

Got flu shot Friday so been sick in bed, kitzur, had insane taiva on shabbos to use my phone to message the shiksa who I hadn't messaged in two weeks or so.

Close to giving in so masterbated rather than chilul shabbos (was hard cuz couldn't get outta bed so sick).

Woke up like 10min b4 shabbos was over, but opened phone (found out the time when turned it on).

(Been speaking a lot to a chaver of mine who has really stopped keeping shabbos, and I see that's had a subconscious affect on me)

Started messaging, masterbated etc.

Then told her I decided we can't speak etc etc, been. Flip flopping.

Still super not feeling well, cleaned room, listened to R Aharon Lopiansky shiur right now.

Going to sleep, hope to have good things.

I gotta delete the shiksas number on my gmail backup too.

Gn

You are putting in an incredible amount of effort. Keep it up.

Fam friends at our house for this week.

In past (including month and half ago) the daughter and I had a “thing,” like staying up late shmuzing for a long long time.

Tonight didn’t seem too interested, though first night here.

Also she opted to sleep@neighbors house with her sister than at ours (though prob cuz younger sis was scared to be alone) so self conscious.

Coming back to my room now I feel rejected/aggravated so wanna take it out with bad vids/masterbating.

It’s stupid. I’m stupid.

Rabboisai, I am funny.

Maybe not so much here on the forum but b’chlall I dabble in inyanei tzchoyk v’yaldus. A shtikl comedic genius as they say.

Prob is I get all these prust jokes in my head and say them a bunch, issue is that I’m supposedly a bit frummer than that, it’s hard though cuz I’m a Gaon in humor.

Ik I can use such kochos without tuma it’s hard though, and I feel so stupid seeing prust jokes associated with me when someone says “that’s something yeshivaguy would say”

Well it's not too late to delete ur old post.

And pardon my cynicism, if the story inhances your avoda then great, I personally don't buy it.

First , I’m sorry for the pain you’re dealing with currently ,I pray for you to have menucjas Hanefesh.

Regarding comedy, there is takeh a dearth of kosher material. Perhaps you can utilize this talent towards creating new content? It can be fulfilling,lucrative, and , beneficial to others seeking kosher content.
