

Make it to Yeshiva

Posted by YeshivaGuy - 04 Aug 2020 05:33

Hi everyone,

First I want to say that I am humbled and honored to be in the presence of such Giborei Koach, true warriors of Hakadosh Baruch Hu.

I bh am not addicted to pornography.

I haven't been on a porn website.

But I'm getting close, and I'm here to gain chizuk not to fall into it.

Once I return to Yeshiva I'm safe, but as long as I'm home I'm in danger, and bh I haven't fallen into pornography. However it's the next step, chalila.

I bh am running a camp, so I started keeping busy, so bh have only been nichshal once in the last 3 weeks.

i want to just express my gratitude to all of you, and my great admiration for each and every one of you.

My Yetzer tries telling me "comon, porn can't be that bad, it's just the word that sounds scary" or like "it can't be so different than YouTube videos"

So I'm here to gain that chizuk.

thank you!

Big Shaila: ?So as I had mentioned, we've had this family over at our house with the girl I've had a "shakla v'tarya" with for awhile.

The girl leaves tonight. We had a shmuze last night etc and been hard getting over her leaving it, managed to not be nichshal last night though with bad vids etc cuz of it.

Her and her sister are at my house right now for 3'ish hours then leaving.

I just finished work and can go back right now saying I gotta light candles b'zman which is true. But I'll have a solid few hours to sit and shmuze with the girl and I 100% will, bli safeik.

Personaly, I only would avoid wit since it can get me to watch porn.

So should I procrastinate and let the time run out so they'll leave and we won't get our last goodbye? Or do I light b'zman and sit by the candles with the girl like we did last night (felt amazing tbh)?

Gotta know asap, make your voices heard!

Hi, YG! I read through some of your stuff, amazed that you hold strong through it all. I think you really know on your own what's the right way about this, and that is that you should do whatever you could to avoid her. Now and in the future. Stay strong my friend!

You're amazing for being so open and honest.

My humble opinion: procrastinate and let the time run out so they'll leave and you won't get your last goodbye - may Hashem help you do what's right.

Some may say in the name of Dov that conquerin' addiction is similar to pikuach nefesh and has those gedarim. There are those who disagree. My opinion is that even Dov's halachos apply only when one is in full blown active recovery, and a serious fall would derail him. Are you in that stage? If not, you have a mitzvah before you, do that, and may God or the mitzvah protect you from the blonde, blue-eyes twins.

if you can go and light candles and then say tehillim in front of the candles for an hour i would do that. otherwise, i would trust your gut and avoid if there is any chance it can get you to watch porn.

Gonna just write Emes: in my car currently struggling what to do. I like her, could be shayach maybe but idk. My mother had asked me recently what I thought about maybe dating her but idk I think I'd be blinded.. Also we're related and I think it would bother the girl (though not me)..

Watching porn isn't even really so much my concern.

It's really about continuing this relationship which is dangerous. Especially because since we're part of the same extended family, if we keep up this sketchy relationship and marry other people, we'll still see each other and that spells for unhealthy situations in the future.....

Thats big of why it's hard to say it's clear cut bad, but b'kitzur I messaged her asking what she's doing etc.

She said some time ago she's "lying on the couch bored lol" and I was dying, anyway I said sorry that can't make it etc.

We'll still see though, if her flight gets delayed (which it could) I'm not going to stay out extra long, gonna just wait until the time she said

It feels real good to be able to pleasantly and respectfully disagree. I don't even feel bad at all that he listened to the majority. The beauty of the forum! Thank the Good Lord!

Thank you so so much for your eitza and perspective.

Always a zechus to hear from you.

For myself I think going would certainly add a lot to this unhealthy relationship.

As far as the conversation about "addiction/recovery," I'm not currently working using those leshonos/perspectives though perhaps I should.

And as far as their description, I wish her sister was appealing but mamash not. And twins would be cool

Thanks, the closest to that happening would perhaps be sitting with the girl at the candles looking at the neiros while enjoying each other's presence like may or may not have taken place in the past....

Beautifully said, Cord! May it always be true. Thanks for your friendship and all that you do. You stick to your principles and sometimes say the stuff that's hard to hear and that takes courage from which we all benefit!
