

Make it to Yeshiva

Posted by YeshivaGuy - 04 Aug 2020 05:33

Hi everyone,

First I want to say that I am humbled and honored to be in the presence of such Giborei Koach, true warriors of Hakadosh Baruch Hu.

I bh am not addicted to pornography.

I haven't been on a porn website.

But I'm getting close, and I'm here to gain chizuk not to fall into it.

Once I return to Yeshiva I'm safe, but as long as I'm home I'm in danger, and bh I haven't fallen into pornography. However it's the next step, chalila.

I bh am running a camp, so I started keeping busy, so bh have only been nichshal once in the last 3 weeks.

i want to just express my gratitude to all of you, and my great admiration for each and every one of you.

My Yetzer tries telling me "comon, porn can't be that bad, it's just the word that sounds scary" or like "it can't be so different than YouTube videos"

So I'm here to gain that chizuk.

thank you!

Officially 16 days clean from porn but idk.

Found shixas number and messages a bit then stopped.

This feels beneath me, I don't feel sucked into it.

Plugged the whole meaning deleted the crazy workaround.

Having thoughts of doom demise and utter failure that I should throw in the towel.

I masturbated and wasn't the cleanest with eyes.

Won't reset the count yet cuz count is for spending more than a few seconds on a vid.

I gotta shape up and not view myself like all is lost.

I'm also eating my little brothers icecream from the freezer right now, really terrible person...

Did you remember to bless Hashem ????? ??????????

rabbi Biderman brought out a nice point in this week's Torah Wellsprings

we have to remember that Hashem's providence and hand in in three areas without exception

1. What happens to us
2. what is done to us
3. What we do to ourselves

you won.

Sometimes winning is painful.

Change your perspective, and change your life.

trust the Big Boss. He knows what He's doing, and He is most definitely the one doing whatever is being done.

trust Him!

love

ILH

3 gallons of ice cream?

I'm also eating my little brothers icecream from the freezer right now, really terrible person...

If you'd be eating your brother, that would (possibly) make you a terrible person.

His ices? I'm sure he's ok with that - he loves you, as we all do!!!!!!

Keep up the fight!!!

Maybe one of the great guys here can share some thought, or you can, but how can you replace whatever is pushing you to connect with a nonjew? What is pushing you, how can you replace it or redirect that?

?personally I do not recommend talking to girls, especially if not Jewish

What pushes me is man's innate longing for relationship and connection.

How to redirect it is by fostering healthy relationships.

Taiva as well plays a role so the eitza is gedarim.

Was 19 days clean.

Grown a lot, got back into enjoying davening and actually talking to GD and with a minyan for shachris.

Worked hard to use the rejections I've been getting to forward my Avoda, Emunah, and Bitachon.

Finally got a yes so b'ezras Hashem going on a first date for the first time at some point.

Fell on Friday and tonight though.

It doesn't pasul me and I won't go into depression. I will still do shachris with a minyan tomorrow. This doesn't define me.

A few days ago a lady came to me saying "here I have the perfect girl for you, here let me show you a picture." I paused for a moment and gathered the strength to say sorry not doing pictures but thank you.

Was hard but I'm proud of myself.

I've grown alot these last 20 days. Have been off whatsapp completely and off smartphone and I'm still alive.

I'm davening with kavana again, trying to have Bitachon and live with GD in my life.

Yes I just fell again but I will not allow myself to get back into the cycle of shame, self pity, further porn etc etc.

Have a gn,

YeshivaGuy
