

Make it to Yeshiva

Posted by YeshivaGuy - 04 Aug 2020 05:33

Hi everyone,

First I want to say that I am humbled and honored to be in the presence of such Giborei Koach, true warriors of Hakadosh Baruch Hu.

I bh am not addicted to pornography.

I haven't been on a porn website.

But I'm getting close, and I'm here to gain chizuk not to fall into it.

Once I return to Yeshiva I'm safe, but as long as I'm home I'm in danger, and bh I haven't fallen into pornography. However it's the next step, chalila.

I bh am running a camp, so I started keeping busy, so bh have only been nichshal once in the last 3 weeks.

i want to just express my gratitude to all of you, and my great admiration for each and every one of you.

My Yetzer tries telling me "comon, porn can't be that bad, it's just the word that sounds scary" or like "it can't be so different than YouTube videos"

So I'm here to gain that chizuk.

thank you!

Anything in particular triggering you or just buildup of the urge to "go for it"?

Run away!

Push it off for 1/2 hour

If you still have the ability to post now you are not fully in his clutches. Run. Now.

In bed now going to sleep.

Yetzer says "hey why don't you masterbate? That's geshmak!"

And I'm like "Nope."

Gn

It worked last time

You are boss. Show him

It's beneath you. Don't do it

And don't forget that there is nothing like a phone call

It might feel like your dying but

Remember, it's perfectly okay to have an urge, and it's perfectly okay to ignore it.

I got very close to being nichshal.

Its very hard to do this, but Ill be honest and vulnerable right now.

I still haven't totally gotten rid of this phone so I can have access to it, so was able to get my friend to open the AppStore.

It's sickening to me that I'm so weak that I still haven't gotten rid of this thing 100%.

I didn't watch vids etc. got a "meet people" app.

Spoke to few people bout stam, which ????? got me taiva, and seeing the profile pics as well.

This was the trigger.

I struggled with this (the game of indulge in using the app but not masterbating) from 3:00-8:00 and then 10:30-12:30 (I napped from 8-10:30 cuz was too much to handle...)

I texted my seacond Seder chavrusa that I was sick, because I just didn't feel I was able to go...

B'kitzur, I deleted the app.

Now, let's be honest.

How much longer do I wanna keep playing this foolish game?

Im so embarrassed that I haven't taken the proper precautions.

That's why I resisted speaking to some of u on the phone when u reached out (which was much appreciated).

Because I knew/know what I need to do, I'm just not doing it...

Im very frustrated with myself.

No sugarcoating or justifying this.

Its pure cowardice.

Maybe I'll make myself a ln insentive for not using the phone at all? ldk...

But as far as not masterbating etc, I wasn't nichshal bh. Though it was extremely close.

I really just wanted to throw in the towel.

I didn't even have koach to go to dinner, I just had some string cheese and crackers...

Anyway, that's me folks.

I have so much potential. I really believe in myself that I can become a big Talmud Chacham and Eved HaShem.

And that's ??? why it's so so frustrating to me that I make such dumb decisions...

I look in the mirror, hear mussar shmuzin, and think about who I "can be" and the only thing holding me back from getting there, is Me.

I know what I need to do, and I promise you guys I'll give it another shot.

In the recesses of my heart I ask and beg HaShem to let me start anew tomorrow morning.

I hope to discard the past and blaze a new course-

To be Tovel, ?????? ?????? in the ?????? ?????? ??? without the ??? in my hand and in my heart.

May HaShem see my deep Ratzon for Kirvas HaShem, and aide me in using my Bechira in attaining that.

YeshivaGuy, I'm not the one to be preaching for the choir, but I get your struggles and understand it.

Please understand ?? ????? ????? ????? ????? every day you grow you will be presented with new challenges. I see that chazal as a tremendous chizuk. I'm not struggling with the same old stupid stuff, now it's a bigger challenge.

Show us your true power and be my role model.

Yeshiva Guy, your honesty and courage is unique. How I wish when I was your age I could have gotten out all the turmoil..... We all know what we need to do in various areas of our lives, yet resist doing so. That is the normal growth challenge that we go through on a daily, sometimes hourly basis. It is easy for me to write the words "If you know what you need to do, so just go do it already" - but then I would have to read what I wrote and apply it to my myriad issues that need fixing. So instead I will write - Keep growing buddy. As you develop, you should know you are schlepping many other guys up and out of the mud with your incredible inspiration. We are all rooting for you, and in a certain way, counting on you, while at the same time we validate this really tough struggle, and appreciate how vulnerable you feel at times. When you are ready to take the next step, we will cry along with you at the loss of your phone/pacifier - we have all had similar "losses", while also sharing your tears of joy and hope - that you made the move to be that much closer to Hashem.
