

Make it to Yeshiva

Posted by YeshivaGuy - 04 Aug 2020 05:33

Hi everyone,

First I want to say that I am humbled and honored to be in the presence of such Giborei Koach, true warriors of Hakadosh Baruch Hu.

I bh am not addicted to pornography.

I haven't been on a porn website.

But I'm getting close, and I'm here to gain chizuk not to fall into it.

Once I return to Yeshiva I'm safe, but as long as I'm home I'm in danger, and bh I haven't fallen into pornography. However it's the next step, chalila.

I bh am running a camp, so I started keeping busy, so bh have only been nichshal once in the last 3 weeks.

i want to just express my gratitude to all of you, and my great admiration for each and every one of you.

My Yetzer tries telling me "comon, porn can't be that bad, it's just the word that sounds scary" or like "it can't be so different than YouTube videos"

So I'm here to gain that chizuk.

thank you!

Very "turned on" right now...

In bed (obviously) and few min late already to 2nd Seder.

Really not down to go

I can just turn over, Masterbate and enjoy!

Why I'm i not?

Honestly, I'm like, if I'm gonna be nichshal so I should at least chap arein unfiltered Internet at the same time, it's not worth it to masterbate without the "full experience"

We all have such days.

It's ok.

Nothing to be worried about.

Just plough through, and before you know it, it'll be over.

I can relate to having such days which you question, why even bother, is it worth the energy. you may feel depressed, irritated, or even angry with yourself, it's kind of a having a foggy mind that we can't think straight.

But it's those days where we need to be extra cautious not to give in, and just push ourselves to keep on doing our duties.

Keeping in mind: THIS TOO SHALL PASS.

With Love,

Willdoit

Carbs usually taste good...though a a nice steak will never be refused.

Nothing like a new day.....

Hashem in his kindness gives us renewed energy and sreangth to serve, protect, and defend.

We can't change the past but we can change the tomorrow for better.

One day at a time!

Your a constant inspiration!

It is Rosh Chodesh Shvat. A new beginning and a time of rejuvenation (the sap begins revitalizing the trees today). Get up and go to seder buddy! You enjoy the bais medrash - thank Hashem for that. So many other guys don't really have such a geshmak there.....
