

Make it to Yeshiva

Posted by YeshivaGuy - 04 Aug 2020 05:33

Hi everyone,

First I want to say that I am humbled and honored to be in the presence of such Giborei Koach, true warriors of Hakadosh Baruch Hu.

I bh am not addicted to pornography.

I haven't been on a porn website.

But I'm getting close, and I'm here to gain chizuk not to fall into it.

Once I return to Yeshiva I'm safe, but as long as I'm home I'm in danger, and bh I haven't fallen into pornography. However it's the next step, chalila.

I bh am running a camp, so I started keeping busy, so bh have only been nichshal once in the last 3 weeks.

i want to just express my gratitude to all of you, and my great admiration for each and every one of you.

My Yetzer tries telling me "comon, porn can't be that bad, it's just the word that sounds scary" or like "it can't be so different than YouTube videos"

So I'm here to gain that chizuk.

thank you!

Dearest MGG,

My understanding is that YG needs BOTH types of posts:

- 1) "Cheerleading/fraternity/fuzzy/feel-good" posts
- 2) Macho "You got this under control" comments

HHM,

Your post is unbelievable.

?I would add that even sex with one's wife is pure cotton candy until it is preceded by intimacy.  
(You taught me that : )

YG,

Let's make a deal. I'm tempted to masturbate tonight as well. I'll hold back as a zchus for you and you hold back for my zchus.

Time to play Devils Advocate

And if YG fails, you get a free pass?

Thanks for being my advocate. (Am I the Devil???)

Do you want I should pay you with all the free passes I collected over the years?

There was always some reason why I "deserved" a free pass.

But that free pass will get me nowhere in life.

p.s. It was intended to be a motivational tool to help us both out last night.

YG, maybe before your next off Shabbos or trip home, a better plan should be developed. In yeshiva you seem to have the matzav under control, with the expected ups and downs. it's at home, with lack of structure and available devices that issues seem to arise. Just a suggestion.

I actually think that a 3rd option of some "tough love" might be beneficial as well.

Im sure you base ur opinion from your personal understanding of how I work and what's best for Me, not just what worked for You.
